

Welcome to Bethlehem Lutheran Church

Our Mission: To reach out to all people and bring them into a living relationship with Jesus Christ.

For Bethlehem Lutheran Church, this isn't just our motto, but it's the core reason for our existence and the focus of everything we do. **We are here for you because Jesus Christ is here for you!**

Bethlehem Lutheran Church is congregation affiliated with the Lutheran Church - Missouri Synod who is firmly committed to the ministry of Jesus Christ in Delmar, New York, in the greater Capital District, and in the world. As the Body of Christ we are challenged to reassess the application of our discipleship to meet the changing needs of our congregation, community, and world.

We are a diverse congregation made up of people from different communities, ages, backgrounds, and occupations. Our congregation seeks to serve people of all ages, offering programs and ministries from birth through retirement. Christian education, fellowship, service, and caring ministries are offered to everyone, seeking to meet the diverse needs of people living in the 21st century.

Located in suburban Albany, our members come from communities all around the Capital District. As an active part of our communities, we are involved with many local ministries. Through our national and international connections, we are able to spread the Good News and meet human needs throughout the world.

We are happy the Lord has led you to our web site and pray that it is a blessing for you. We hope that you will join us real soon so that we can share our love for Jesus with you.
